Key Features of this Policy

Cover options

You can choose one of the following cover options for your contents:

Replacement Value

This cover option provides 'new' for 'old' cover. We will cover the cost associated with the repair or replacement of the contents with the nearest equivalent items that are 'substantially the same' as, but not better or more extensive than, the condition of the items when they were new.

Indemnity Value

This option provides cover based on the current value of the insured contents. We will cover the reasonable cost to replace an item with an item of comparable age, condition, quality and capability.

Important conditions of cover

House use

Page 7

You must notify us if the house where the contents are located is at any time rented out, or intended to be rented out in the future, even if only for a short period of time. If you do not notify us your contents may not be covered. Depending on the intended rental period you may need to take out a Residential Rental Property Contents policy.

You must notify us if the house where the contents are located is going to be unoccupied and, unless we agree otherwise, cover is limited to **restricted perils** if the house is unoccupied for more than 60 days.

Qualifying for lifestyle cover

Page 6

This policy is not designed to cover farming operations. You'll need to meet the qualifying criteria before you are eligible to purchase this policy. These are listed in the policy introduction and include income limits for activities carried out on the property. Animals on the property are subject to maximum head counts, and the minimum sum insured available under this policy is \$75,000 including GST.

Notifying us when things change

Page 5

You must tell us immediately if, at any time after the start of this policy, there are changes in circumstances that may alter the nature of the risk or increase the likelihood of a claim occurring.

Examples of a change that could make a claim more likely include but are not limited to:

1. moving any of your property to a location that is different to the property's address in the schedule; or
2. renting out the house or leaving it unoccupied for a period exceeding 60 days; or
3. purchasing new items of jewellery, sporting equipment, or electronic equipment (for example) valued over \$5,000 per item; or
4. if you or any other person insured under the policy commits, is charged with, or convicted of, any criminal offence.

Cover exclusions

Page 10 and Page 18

There are a range of specific exclusions to the cover provided by this policy which include such things as damage or loss caused by wear and tear, poor workmanship or design or faulty materials, land damage (refer to Section One of the policy for further details), and a number of general exclusions in Section Three of the policy.

Your obligations

Page 19

You must act honestly when making a claim, you must contact us as soon as you can after you are aware of loss or damage giving rise to a claim, and you must cooperate with us by providing the information we seek to settle your claim.

Important notice

These key features of the policy are only a summary of the main terms of the policy and do not form part of the policy document or any contract with MAS. You should read the full policy terms and conditions that follow to ensure you understand all of the terms of the policy, including the conditions and limitations of the cover offered as well as your obligations to MAS.

Welcome

Thank **you** for choosing to entrust **us** with **your** lifestyle property contents insurance policy needs. **We** have designed this document to provide a clear understanding of **your** contract with **us**. If anything is unclear or **you** have any questions, please contact **us** on **0800 800 627**.

Please read the following document carefully. It contains important information regarding what **we** can and can't cover in **our** agreement with **you**.

Changing your mind

If **you** are not completely happy with this **policy**, or **you** change **your** mind, please tell **us** within 30 days of it commencing. **We** will cancel **your policy** as if it had never existed and refund in full any premium **you** have paid.

Please note that this clause does not apply if a claim has been made.

Your policy and how it works

Your policy consists of:

1. **your application** and any other information **you** supplied **us**; and
2. this **policy** wording; and
3. the **schedule** and any subsequent renewal advice or endorsement notices.

Once **you** have agreed to pay the premium and **we** have accepted **your application**, **we** will insure **you** under this **policy** for the **term** shown in the **schedule**. **You** cannot make a claim until **you** have paid **your** premium.

Failure to pay the premium within 30 days of the commencement of the **term** will result in this **policy** being deemed null and void from the start date of the **term**.

The words in this **policy** in bold are defined. The definitions are at the back of this document, or where they apply only to one clause, within that clause.

The headings and section introductions are for reference only and must not be used in interpreting this document.

Your duty of disclosure

When arranging, amending or renewing this **policy**, **you** have a legal duty of disclosure. **You** must tell **us** everything **you** know (or could be reasonably expected to know) that a prudent insurer would want to take into account in deciding:

1. whether to accept or decline **your** insurance; and
2. the premium or other terms and conditions of the insurance, including the **excess**.

If **you** breach this duty, **we** may decline to pay all or part of **your** claim, or **your policy** cover may be cancelled as if it had never existed.

When in doubt, disclose. **We** treat all information confidentially.

Change in circumstances

You must tell **us** immediately if, at any time after the start of this **policy**, there are changes that may alter the nature of the risk or increase the likelihood of a claim occurring (a **change in circumstances**).

Examples of a **change in circumstances** may include (but are not limited to):

1. moving any of **your property** to a location that is different to the **lifestyle property** in the **schedule**; or
2. renting out the **house** or leaving it unoccupied for a period exceeding 60 days; or
3. purchasing new items of jewellery over \$5,000, sporting equipment, or electronic equipment (for example) valued over \$25,000 per item; or
4. if **you** or any other person insured under the **policy** commits, is charged with, or convicted of, any criminal offence.

After **you** have told **us** about a **change in circumstances**, **we** may amend the premium and/or other terms and conditions of this **policy**.

If **you** are in any doubt, **you** should disclose information, whether or not **we** have asked questions that relate to it. If **we** are not told about a **change in circumstances**, **we** will be entitled to decline any claim and **we** may cancel this **policy** from the date of the change.

Take reasonable care

You, and anyone else covered under this **policy**, must take reasonable care to avoid circumstances that may result in a claim and take all necessary action to minimise claim costs.

Your claim or that of any other person covered under this **policy** will not be covered if **you** or they are reckless or grossly irresponsible.

Your property must be locked and the keys removed when unattended.

Proof of ownership

We may request proof of ownership or justification of value of any item at **policy** inception or claim time. It is important **you** keep receipts or valuations, as well as photos of items such as jewellery, antiques or artworks, to ensure **we** can apply an appropriate value should a claim arise.

Interested parties

You must tell **us** if any party or entity, such as a bank or finance company, has a financial interest in any of the **property** insured under this **policy**.

We may pay all or part of the claim proceeds to them, and any such payment satisfies **our** obligations to **you** in respect of that payment.

By notifying **us** of the interested party, **you** authorise **us** to disclose personal information about **you** to this party. A party who **we** record as having a financial interest under this **policy** is not insured by this **policy** and has no rights to claim directly under this **policy**.

If the **property** is owned by anyone other than **you**, such as the trustees of a family trust, **you** must notify **us** so **we** can ensure that the correct party(s) or entity(s) are named as 'The Insured' in the **schedule**.

Cancellation

You can cancel **your policy** at any time by emailing **us** at info@mas.co.nz or by contacting us by phone. We'll refund the unused portion of **your** premium.

We can cancel **your policy** at any time during the **term**. **We** will send **you** notice of cancellation to **your** last known postal or email address at least 30 days before the cancellation takes effect. We'll refund the unused portion of **your** premium.

If **you** have not paid the premium within 30 days of the start of the **term**, **we** will cancel **your policy** without giving **you** further notice.

Fair Insurance Code

We are members of the Insurance Council of New Zealand (ICNZ), an organisation that promotes a code of practice among its members called the Fair Insurance Code.

The code sets out some of **your** rights when dealing with **us**. If **we** fail to comply with the Fair Insurance Code, **we** can be reprimanded, fined or expelled from the ICNZ. **We** view the Fair Insurance Code guidelines as a minimum only and encourage **you** to read the code to understand **your** rights and responsibilities when dealing with **us**. Please contact **us** if **you** would like to receive a copy of the code, alternatively, it can be accessed at: icnz.co.nz.

Insurance Claims Register

The Insurance Claims Register (**The Register**) is a database of insurance claims to which **we** have access. It is operated by Insurance Claims Register Limited, PO Box 474, Wellington.

The purpose of **The Register** is to check prior claims histories and to prevent fraudulent claims.

We provide this insurance to **you** on the basis that **you** authorise **us** to:

1. obtain details about **your** prior claims from **The Register**; and
2. provide to **The Register** details of **your** claims with **us**.

You have rights of access to, and correction of, **your** personal information on **The Register** under the Privacy Act 2020.

Setting the sum insured

It is **your** responsibility to ensure the **sum insured** under **your policy** is equal to the cost to replace the insured item(s); however, **we** have experience and tools to assist **you** in this process.

When insuring **your** contents, why not use **our** handy contents valuation guide (available at mas.co.nz) to assist **you** in evaluating the value of **your** belongings. Remember **we** replace old for new, so be sure to check out the latest retail prices for the cost of replacement in the current market.

If **you** feel premiums are too high for the **sum insured** **you** require, please discuss **your** concerns with **us**. **We** can offer solutions such as voluntary **excesses** to assist in keeping **your** insurance costs down.

It is important that **you** review **your sum insured** at every renewal and advise **us** of adjustments as required. For contents, **you** may need to increase the **sum insured** as **you** purchase new items such as jewellery or furniture.

One event – one excess

If **you** have multiple policies with **us** and need to claim under more than one **policy** for **loss** caused by a single **event** at the same location then **you** only have to pay one **excess**. This will be the highest applicable **excess** of any of the **policies**.

This clause is not applicable where an **event** results in a claim under this **policy** and a Business Risks or Contract Works **policy**.

Secured No Claims Bonus

If **you** hold this **policy** for a continuous period of five years and do not make a claim (except **personal health item** claims), **you** qualify for our Secured No Claims Bonus. Once **you** qualify, **your** maximum No Claims Bonus is protected for the life of the **policy**, regardless of the number of claims **you** may make.

Qualifying for this policy

To qualify for this **policy**:

- your main income must be earned away from the **lifestyle property**; and
- the maximum gross income earned from activities associated with the **lifestyle property** must not exceed \$25,000 per annum; and
- **you** must not have more than 100 head of **small stock** and 40 head of **large stock** at the **lifestyle property** at any one time,

unless **we** have agreed to higher limits in advance and this is noted in the **schedule**.

The minimum **sum insured** available under this **policy** is \$75,000 including GST.

Policy Introduction

House use

Special conditions apply to this **policy** when **the house** at the **lifestyle property** is being used for different purposes. **You** must comply with all the following conditions before any claims will be accepted.

If no one has been living in the **house** for more than 60 days, then cover under this **policy** is limited to **loss** by **restricted perils** unless **we** have agreed in writing to continue cover on standard terms.

If **you** have advised **us** that **your house** is going to be unoccupied and **we** agree to continue **your policy**, the conditions below automatically apply:

1. An additional **excess** of \$5,000 applies to **loss** to **your property** caused by burglary, **theft**, attempted **theft** or malicious persons unless the following protection measures are taken:
