6. Checklist

Make sure you send us everything listed below, as we can't consider your request without the following:

- Your completed application.
 Signed Health Practitioner declaration.
 Statutory declaration.
 Proof of bank account.
 Evidence of your identity and address (as applicable for the option you have selected under Section 7).

7. Identification requirements

The Anti-Money Laundering and Countering Financing of Terrorism Act 2009 requires MAS to verify the identity of new investors and, periodically, reconfirm information about existing investors.

Please select one of the options below.

Option One: Electronic Identity Verification and Proof of Address

MAS can confirm the identity and/or New Zealand address of many of our investors electronically, with their permission. Please note that we use a third-party system not owned by MAS to conduct identity checks in this way.

- I confirm that I give MAS authority to check my identity and/or address electronically using the documentation provided.
- I have included a copy of my current NZ Passport (page showing name, date of birth, photo, and signature) or NZ Driver Licence (front and back).

Please note, if this method fails to identify you, we will contact you to provide physical documents, as per Option 2 below.

OR

Option Two: Certified copies of identity and address documents

If you have opted not to use Electronic Identity Verification, then you will need to provide certified copies of the following documentation:

Please provide us firstly with either

- A certified copy of your current passport (page showing your name, date of birth, photo, and signature).
- A certified copy of your New Zealand driver licence showing your name, signature and expiry date along with one of: certified copy of a bank statement issued to you by a registered NZ bank (dated within the last 12 months); valid credit or debit card with name embossed and signature; birth certificate; citizenship certificate; Government agency letter (e.g. IRD, Electoral Commission, etc.) dated within the last 12 months; SuperGold card with photo, name and signature.
- A certified copy of your New Zealand firearms licence.

AND secondly one of the following showing your name and residential address (which can't be more than 12 months old):

- A certified copy of a utility bill (power, gas, water, landline phone, SKY or internet service).
- A certified copy of a document issued to you by a NZ Government agency (e.g IRD, ACC, Ministry of Justice, NZQA, or WINZ).
- A certified copy of a NZ council rates notice/valuation.
- A certified copy of a residential rental agreement.

Who can certify your documents?

A MAS employee can verify your ID and proof of address. Alternatively, the following people can certify photocopies of original documents:

- Registered medical doctor
- Notary Public
- Justice of the Peace
- Member of the Police
- New Zealand lawyer
- New Zealand Chartered Accountant
- A person who has legal authority to take statutory declarations (or equivalent) in New Zealand.

The certifier must:

- see the original document and make a statement to the effect that the documents provided are true and correct copies and confirm the identity of the named individual;
- state their full name and their capacity to act as a certifier; and
- date the certification (no more than three months prior to the date of the application).

The certifier cannot be related to you or a person living at the same address, or a party to the application.

When certification occurs overseas, copies of the required documentation must be certified by a person authorised by law to take statutory declarations.

Please note carefully the requirements above. If we need to ask for further information, this will delay the processing of your application.
