Highlights

Advice when you need it most

The plunge in world share markets during February and March 2020 caused widespread concern amongst investors. Members of the Plan were able to get free personal financial advice to help them navigate this challenging period.

We increased our commitment to responsible investing

Within the responsible investing mandate for international equities, we're choosing to only buy shares in companies that are leaders in their industries with their environmental, social and governance (ESG) practices.

Helping you plan for retirement

A projected retirement balance and weekly income in retirement is now included in the annual statement of Members aged 18-65 who were in the Plan the full year.

More frequent information on your funds

Fund unit prices and returns are available on our website weekly (previously monthly) and you can now see unit prices over the previous year.
